OC ECONOMIC RECOVERY UPDATE

Given the continued economic shutdown mandated by Sacramento, Supervisor Wagner and his colleagues on the Board of Supervisors allocated \$10 million from the County's General Fund for additional Small Business Grants. This made \$2 million available for Third District businesses. In Supervisor Wagner's continuing effort to facilitate local control, and because he believes that the Mayors and cities know their needs better than the County, Supervisors Wagner made that \$2 million available to each city, based on that particular city's Third District population, in the form of grants to small businesses.

Supervisor Wagner had previously allocated \$15 million in 2020 to the cities to conduct small business grant programs. That \$15 million was from the CARES Act, whereas this \$2 million is from the General Fund.

CITY of YORBA LINDA

OFFICE OF THE MAYOR

June 2, 2021

The Honorable Donald P. Wagner
3rd District Supervisor
Orange County Board of Supervisors
333 W. Santa Ana Blvd.
Santa Ana, CA 92701

Dear Supervisor Wagner,

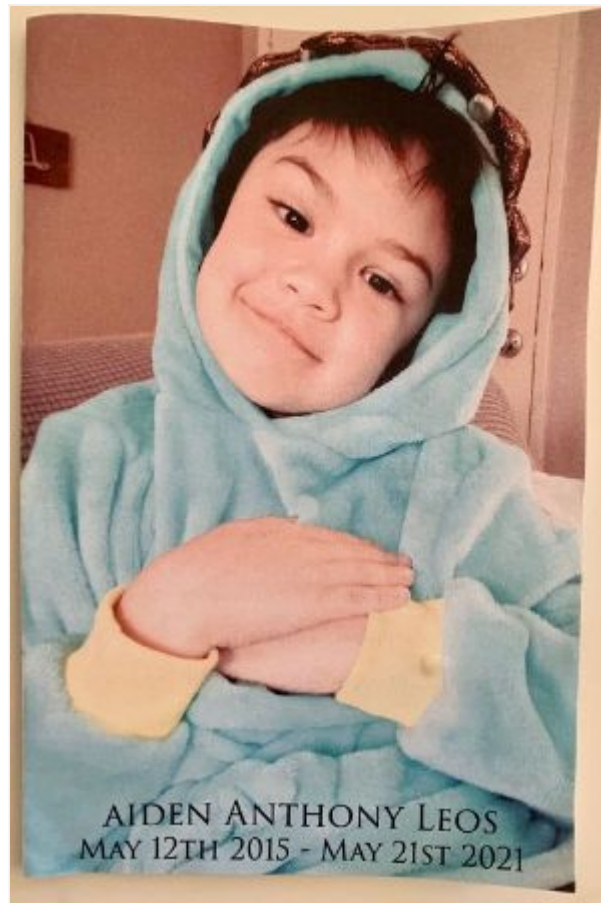

On behalf of the City of Yorba Linda and my City Council colleagues, I would like to personally thank you for your continued leadership and support to the City of Yorba Linda. Your efforts during the pandemic have not only provided financial support to the Third District, but have also made a tremendous impact on Yorba Linda residents and businesses. Your previous funding support for the Meal Gap Program provided over 7,600 meals to our seniors, persons with disabilities, and other individuals experiencing food insecurity as a result of the COVID-19 pandemic. I am so happy to hear that the Board of Supervisors will be allocating a portion of the County's American Rescue Plan funding for meal gap programming, and in turn, you will be pushing out the allocated funding directly to the cities in your District. These funds will allow us to continue to dutifully serve our seniors during this unprecedented time. As always, thank you for your leadership, service, and support to the City of Yorba Linda.

Sincerely,

Peggy Huang
Mayor, City of Yorba Linda

JUSTICE FOR AIDEN LEOS & FAMILY

ORANGE, CA — Six-year-old Aiden Leos was fatally shot on the 55 freeway in Orange on his way to kindergarten at Calvary Chapel in Yorba Linda.

A memorial service was held for Aiden Leos on Saturday at Calvary Chapel Yorba Linda. His mother, Joanna Cloonan, expressed gratitude to the community: "Your kindness, your prayers, your support, and unbelievable generosity has helped provide me with so much strength, so I may stand on my own two feet today, in front of you, and share the beauty of who Aiden was and still is."

She also said, "I want nothing more than to find justice, although it won't bring you back into our arms...It makes me outraged that such a precious beautiful soul did not get the opportunity to continue developing into a young man, and starting a family of his own one day while accomplishing his heart's desires. My precious son had his life ripped away from him for absolutely no reason."

One day after the service, the suspects were arrested. Marcus Anthony Eriz, 24, and Wynne Lee, 23, were taken into custody at their home in Costa Mesa on Sunday. By Tuesday, charges were brought forward by District Attorney Todd Spitzer. Eriz is eligible for a life sentence for murder and Lee is facing jail time for

accessory after the fact.

Supervisor Wagner's original offer to increase the family's reward gave the community an effort to get behind and played a role in keeping media attention on the case; CHP noted public participation and tips made the difference. At a [press conference](#) on

Tuesday, Supervisor Wagner said that was a testament to the people of Orange County who recognize that this sort of violence cannot be allowed to stand in our community.

Now, justice is in the capable hands of the District Attorney's Office and CHP, who led the investigation. Supervisor Wagner also gives a special thank you to OC District Attorney Todd Spitzer and CHP for their tireless work on cracking this case.

Supervisor Wagner's office is partnering with OC Parks to give a [dedication in the name](#) of Aiden Leos at OC Zoo's new Large Mammal Exhibit, which is currently under construction. A plaque in Aiden's name may help leave a legacy that inspires the people of Orange County to rally for justice, give support for victims of crime, and encourage the reporting of information that may solve a crime for another family.

HONORING OUR FALLEN HEROES

THIRD DISTRICT, CA – Supervisor Wagner was honored to speak at several events on Memorial Day, commemorating the men and women who died in service to our country. Tustin Veterans Sports Park has set up a stunning statue that memorializes our veterans who made the ultimate sacrifice so we could be free. Supervisor Wagner also noted we must offer support for our Gold Star families, who lost loved ones in the line of duty on air, land, and sea.

TOGETHER AGAIN

IRVINE REGIONAL PARK, CA – Supervisor Wagner hosted a sold-out concert in the park with The SIDE DEAL, raising awareness for veteran suicide prevention in honor of our Memorial Day weekend. It was a breath of fresh air to see our community together enjoying wholesome family-friendly fun, sunshine, music, and laughter in our beautiful County park. Thank you Orange County Parks, Team Wagner, and all the volunteers who made the evening a success.

Celebrating Diversity in Orange County

ANAHIEM HILLS, CA – Orange County's rich cultural diversity makes it a vibrant community we are proud to call home. It was an honor to attend a reception welcoming the Governor of Punjab, Pakistan, Chaudhry Mohammad Sarwar to Orange County. Governor Sarwar was incredibly gracious presenting Supervisor Wagner a plate from Punjab, Pakistan. Thank you, Dr. Imran Sharief of [Anaheim Hills](#), for facilitating a special luncheon that celebrates leadership across the globe.

With: U.S. Congressman Lou Correa, CA 46th District Congresswoman Norma Torres, Senator Josh Newman, Mayor Harry Sidhu, Yorba Linda Mayor Peggy Huang, and Yorba Linda Mayor Pro Tem Carlos Rodriguez.

THIRD DISTRICT, CA – In joining the celebration of Asian Pacific American Heritage Month last month, Supervisor Wagner presented a Third District

proclamation that pays tribute to the generations of Asian and Pacific Islanders who have enhanced America's history.

We recognize the many vibrant contributions Asian and Pacific Islanders have made to our Orange County community. In addition, the nation is appropriately paying attention to increased incidents of hate crimes, and such crimes must be condemned. Orange County is enriched by our diversity, making it a desirable place to live, work, and play.

Pictured is Ms. Li, a dedicated volunteer for the National Charity League, Inc., 金橙公益基金会 TOC Foundation, and Saga Aries, Team Wagner outreach coordinator who tirelessly helps serve our valued Asian community and beyond.

RECOGNIZING GOOD COMMUNITY WORK

THIRD DISTRICT, CA – June is National Homeownership Month! Supervisor Wagner recognized Dirissy Doan for fifteen years of dedicated service to Orange County Realtors. Dirissy's work has helped provide resources, education, and a spirit of service that helps our economic environment thrive. Her work is important because it helps advocate for policies that protect private property rights, support homeownership, and create a better future for our County. Thank you, Dirissy, for putting your talents and skills to work for the people of

Orange County. Team Wagner wishes you many more years of success and prosperity.

SILVERADO CANYON, CA – Congratulations to Steve Kerrigan for being named Reserve Firefighter of the Year by the Orange County Fire Authority. He is a Senior Reserve Officer who has served for the past 30 years at OCFA Station 14 in Silverado Canyon.

In times of emergency, residents of the canyon areas turn to firefighters for help, especially during fire season. Emergency response calls come in at any time of the day or night and Steve has responded to many of these calls throughout his years of service.

Senior Reserve Officer Stephen Kerrigan recently showed exceptional leadership and heroism during the Bond Fire in Silverado Canyon. Arriving first on the scene, Stephen was responsible for the initial size-up of conditions. Engine 14 was credited by many on-duty and off-duty fire fighters as a critical cog in the initial hours of the Bond Incident in protecting life and property.

As the first arriving Senior Reserve Company Officer, Stephen Kerrigan played an integral role during the Bond Incident that was supported with years of training and local knowledge. In addition to his duties and time spent as a Reserve Firefighter with OCFA, he also is an active and key member of the Fire Safe

Council East Orange County Canyons (www.fsceocc.org).

The Fire Safe Council provides fire prevention information and events to make the community more fire-safe, informed, and prepared when disasters occur.

Thank you, Steve, for your help in keeping our community safe.

OC Animal Care

Pet of the Week Gi Gi!

2-year-old Gigi was found inside a cage in the parking lot of the OC Zoo. The zookeepers quickly called OC Animal Care who reported to the scene. Unfortunately, there were no cameras in the area where Gigi was left, so our officer determined that she had been abandoned. Gigi was then taken to the shelter where she was given a full medical assessment, proper care/housing, and placed up for adoption. Guinea pigs typically make great pets for families as they are very social animals who tend to be quite chatty. Their most well-known sound is the 'wheel' they make for their humans—usually to remind them to bring some food! Speaking of food, did we mention that Gigi loves to snack? Her favorite treats are fresh fruits, veggies and timothy-hay.

Guinea Pigs are very intelligent and can even learn tricks when they are food motivated like Gigi! Would you like to help train Gigi to learn a new trick or two? If so, please call 714-935-6848 to schedule an adoption appointment to meet her!
